Dear Parent/Carer

As we reach the end of a busy and successful term, we want to thank you for your continued support. Together, we have achieved a whole-school attendance of 94.1%, and the Department for Education has recognised the excellent work taking place here. This success is only possible through the partnership between home and school. With your help, we are aiming to finish the academic year at 95% or above.

Beyond the classroom, students have enjoyed a rich programme of experiences: theatre visits out of school and professional companies performing in school; Duke of Edinburgh expeditions; trips to local universities; frequent sporting fixtures; and our Winter Showcase, which brilliantly celebrated students' hard work and creativity.

Our Prefects have continued to represent Moor Park superbly, leading our School Awards Evening with powerful, emotive speeches and confident public speaking. The Awards Evening was a wonderful celebration across all year groups and a reminder of the diverse, supportive community we share.

As we approach the end of a busy term, please make a note of the following information:

Normal lessons will continue across this entire last week, so full attendance will be vital.

The Autumn term ends on Friday 19 December, slightly earlier than usual at 12.30pm. Please can you make arrangements with your child for their earlier finish.

Students will have an extended break from 11.10am-11.45am on Friday where those who are either on free school meals or purchase meals can get food from the canteen.

We look forward to seeing all students on Monday 5 January at the normal time in full school uniform, ready to learn.

Season's greetings from all staff at Moor Park to all our communities; and for those celebrating Christmas, we wish you peace and joy. We look forward to building on this term's successes throughout the spring and summer.

Thank you again for your continued support. We remain incredibly proud of Moor Park and of every student.

Warm Regards,

Ms U Ishtiaq & Ms L Roberts
