

Dear Applicant

Moor Park is a vibrant, caring and ambitious school, strengthened by the diversity of the community it serves. Our pupils come from a wide range of backgrounds, cultures and experiences. This richness plays a vital role in shaping respectful, open-minded young people who value learning, themselves and one another.

Our vision is clear: every pupil will leave Moor Park with strong academic outcomes, confidence in their abilities, and the character required for the next stage of their life. Academic excellence, personal development and uncompromisingly high expectations sit at the heart of who we are. We celebrate achievements, large and small, because success builds confidence, motivation and pride.

Our school is rooted in inclusivity and unconditional positive regard. These are not slogans; they are lived values. You will see them in our classrooms, in our conversations with pupils, and in the way staff support and challenge one another every single day.

We know that excellent teaching and meaningful enrichment happen because of our staff, their expertise, their care, their integrity and their unwavering belief in every child who walks through our doors. That is why we invest in them.

At Moor Park, we nurture our staff with the same commitment, warmth and ambition with which we nurture our pupils. Professional growth is supported, wellbeing is prioritised and collaboration is a strength we protect fiercely. We are a well-resourced school, equipped to enable staff to do their best work.

From strong curriculum materials to high-quality classrooms and specialist facilities, we ensure that our team has what they need to teach brilliantly and flourish professionally. We are, genuinely, a family, a community that works hard, cares deeply and stands together.

If you share our values, if you are optimistic, passionate about your subject, committed to excellence and driven by the belief that you can make a lasting difference to a young person's life, then Moor Park may well be the place for you.

If you feel that you could contribute to our journey, I would be delighted to hear from you.

Yours sincerely

Uzma Ishtiaq
Headteacher
