

Dear Parent/Carer,

As part of our continued commitment to supporting Year 11 students in the lead-up to their GCSE examinations, we are pleased to share details of our upcoming intervention programme and final mock exam schedule.

The Power Hour will run **Monday to Thursday from 3:15pm to 4:15pm**, and will be delivered over **two blocks**, totalling **12 weeks** of targeted support. These sessions are designed to provide essential revision, subject-specific guidance, and academic reinforcement during this critical period leading up to the GCSE examinations.

Attendance at Power Hour is **compulsory** for all Year 11 students. The sessions will be delivered by the normal Year 11 subject teachers and tailored to address key areas of improvement, exam technique, and curriculum content. We believe this structured approach will significantly enhance students' confidence and performance in their upcoming GCSE exams.

Intervention Blocks & Mock Exams Schedule

Block 1 Intervention

 *23rd November to 5th February*

Targeted sessions to reinforce key topics and address individual learning gaps.

Final Mock Exams

 *8th February – 2nd March*

This is the final set of mock exams before the summer GCSEs. These assessments will provide valuable insight into each student's readiness and help guide further support.

Block 2 Intervention

 *8th March – 30th April*

Continued intervention tailored to mock exam outcomes, ensuring students are fully prepared for their final exams.

Every fortnight, students will receive intervention in English, maths, science, RE and each of their option subjects. These sessions are designed to address individual learning needs and reinforce key concepts ahead of the final exams.

We appreciate your continued support and encourage you to speak with your child about the importance of engaging fully with these opportunities.

Yours sincerely,

Mr. J Barker
Deputy headteacher
